## Teacher's Report

Time flies when you are having fun and this happened with all our teachers and students with so many fun filled activities in Term 2 and Term 3.

Apart from the regular classes, Term 2 was challenging for kids by revising and preparing for Mid-Year assessment. It helped our teachers to monitor student's progress and a best practice tool to students for their final exam. Kids were happy to end the Term 2 with Family Fun Day event. We thank all students, teachers and parents for your amazing effort on this day.

Term 3 had been busy quarter with celebration of Independence Day, Rakhi and Vinayaka Chavithi. Students thoroughly enjoyed the term showing their creative skills in preparing rakhi's and Independence Day articles. And finally, kids were more active with parent's involvement on Vinayaka chavithi art work class. Watching the Story of Ganesha and making Clay Ganesha are the highlights of the day.

Switching to Annual Day, we are planning for good number of performances for this year to showcase kids talents. We request all parents to encourage your children to participate and make the event successful.

A gentle reminder to parents to encourage your child to speak Telugu at home and revise their work. We wish you all a happy spring holidays.

## Volunteer Teachers Required

## Telugu Language called Italian of the East

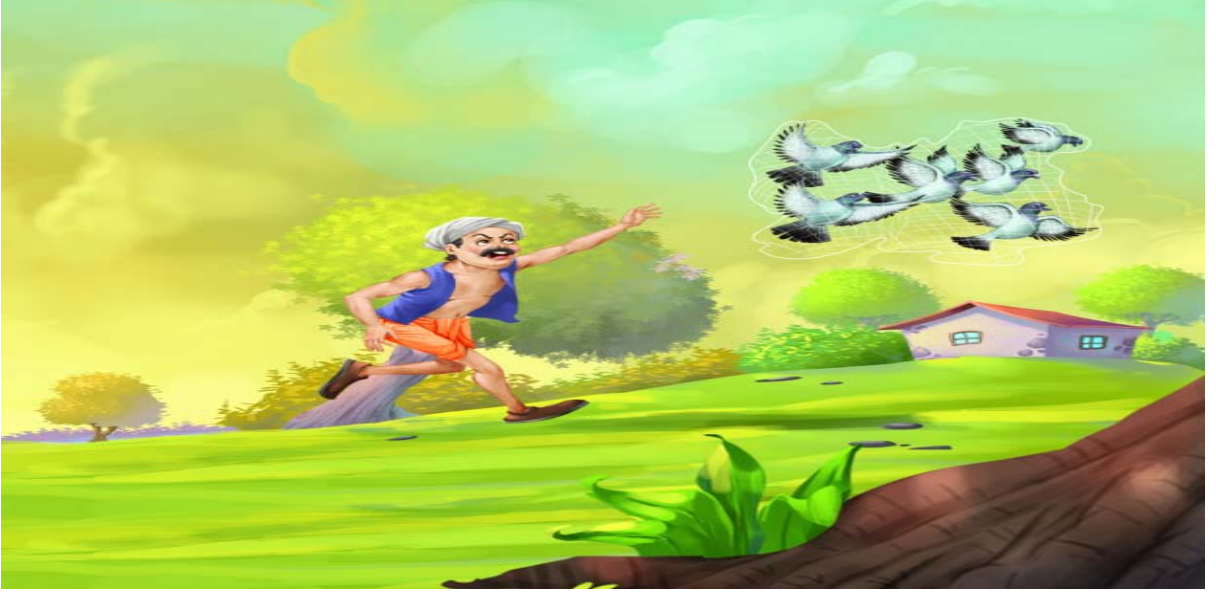

Niccolò de' Conti (1395–1469) was an Italian merchant and explorer, who travelled to India and Southeast Asia. In India he visited Vijayanagar, capital of the Deccan before 1420 and stayed for many months. Being familiar with the native language he coined the phrase 'Italian of the East' to refer to the Telugu language, which he found had words ending with vowels, similar to Italian.

Thus Telugu being called Italian of the east as every word ends with vowel sound. Now, Let's Imagine our Tenali Ramakrishnudu visits Italy before Niccolo visits India, He might phrase Italian as the Telugu of the west.

## పక్షుల ఐక్యత (Moral of story "Unity gives Strength")

ఒక అడవిలో ఒక పక్షుల గుంపు వుండేది. గంతులు వేస్తూ, కిచ కిచ చప్పుడు చేస్తూ అవి ఎప్పుడు కలిసి ఎగురుతూ ఉండేవి. ఒక రోజు అలాగే కలిసి ఎగురుతుంటే, నేల మీద బోలెడన్ని ధాన్యపు గింజలు కనిపించాయి. పక్షులంతా ధాన్యం తిందామని నేల దిగంగానే ఇద్దరు మనుషులు ఆ పక్షులను వల వేసి పట్టేశారు.

పక్షులన్నీ ఎవరికి వారు ఆందోళనగా తగిన బలంతో రెక్కలు కొట్టుకోవడం మొదలెట్టాయి. కానీ వలలోంచి బయట పడలేక పోయాయి. పక్షుల రాజు, "ఇలా కాదు! ఎవరికి వారు రెక్కలు కొట్టుకుంటే లాభం లేదు. అందరం కలిసి, వలను మన పక్షి ముక్కలతో పట్టుకుని, ఒకటే సారి రెక్కలు ఆడిద్దాము. అప్పుడు మనం వలతో సహా ఎగిరిపోవచ్చు." అని ఆదేశించాడు.

పక్షులంతా ఐకమత్యం తో రాజు చెప్పినట్టు చేశారు. అనుకున్నట్టే వలతో పాటు ఎగిరిపోయారు. మనుషులు కింద ఆశ్చర్యంతో చూస్తూ ఉండి పోయారు. కాస్పిపటికి తరవడం మొదలెట్టారు కానీ అప్పటికీ పక్షులు చాలా పైకి ఎగిరిపోయాయి. పక్షులకు మిత్రులైన ఎలుకల దగ్గరికి ఎగురుకుంటూ వెళ్లి, ఎలుకలను సహాయం కోరాయి. ఎలుకలు చక చక వలను పళ్ళతో కొరికి ముక్కలు ముక్కలు చేసేసాయి.

ఇలా పక్షులు అన్నీ ప్రాణాపాయ స్థితి లోంచి బయట పడి పది కాలాల పాటు సంతోషంగా వున్నాయి.

## Family Fun Day 2018

It is a great pleasure to tell that Family fun day function was very well organized and way beyond expectations. Right from the beginning to the end kids were full of energy. With added addition of parent's games it was so colourful. The scene was breathtaking with all the traditional games and traditional food. We thank all for being part of the wonderful show and school which impacts values and culture exposure. The event was concluded by distributing presents to children by WATA EC and BG members.

## Introducing Bloomz - App for Parent Communication

We introduced Bloomz for communication between teachers and parents in parallel to present parent Whatsapp group.

Bloomz is a free app designed to help teachers and parents share information and photos through real-time communication and coordination. Designed for iOS, Android, and web browsers, Bloomz is accessible from every type of platform.

Bloomz's messaging system makes it easy to reach out to a single parent, a group of parents, other teachers in your school, or anyone else you would like to within the system.

And, for those parents who chose to not install the free app, they will still receive email updates of everything that is sent, so they don't have to worry about missing out.

Teachers can also setup the basic information for their class to include a course syllabus, important documents, and the types of information that parents might need access to at various points in the year. In short, any type of communication that could be necessary between parents and teachers, is possible through Bloomz.

Two favourite features with Bloomz are the alert and the volunteer features. With the alert, teachers can post an important announcement and not only will parents receive a push notification from the app, but they will also receive an email update as well. With the volunteer feature, teachers can send out a request to parents for supplies or people to help with any upcoming activity.
